3. Approval of the minutes from the November 7, 2024 meeting. - Hadley moved for approval with amendment of change agenda to minutes, Dominski seconded, motion carried.
4. Medical Advisor Report- Dr. Scalzitti reported on new updated guidance for Pneumococcal vaccine. Hospitals are seeing a decrease in Norovirus activity, there is an increase in Influenza A with a delay on subtyping.
5. Public Health Administrator Report:
 - In November and December assisted with Grobschmidt Senior Center closing.
 - Public Health Vending Machine went on line and has been successful (See quarterly report)
 - April 3 starting Stepping On, will be held at the Grobschmidt Senior Center
 - March 19 co-hosting Blood Drive with the South Milwaukee Lions Club
 - In the process of doing an agency strategic plan. The department staff just held a SOAR (Strengths, Opportunities, Aspirations, Results) session.
 - Still working with Cudahy and Oak Creek on the final report of Community Health Assessment.
 - Working on finalizing an agreement with Oak Creek for back up environmental health service coverage as required by the Department of Agriculture, Trade, and Consumer Protection (DATCP)
 - There was a Dead Bird submitted for testing from Grant Park Area. Bird was not submitted through the health department but results reported to us. The red breasted merganser duck was positive for highly pathogenic avian influenza. The State and DNR are not wishing to test additional birds at this time. There is an expectation that more birds will be found along Lake Michigan. The Chicago area has reported hundreds of dead birds along Lake Michigan. For community members: DNR has a dead bird reporting form at <https://survey123.arcgis.com/share/2ce0c81a1fa446a898c23d8e3595fbfc> and public reports can also be made at 608-267-0866 or email
