**Government Services:**

The City of South Milwaukee has a Mayor and an eight member Common Council. The Police Department is made up of 33 sworn officers, 2 clerks, 1 part-time clerk, 4 public safety officers, and 2 part-time public safety officers. Of the 33 sworn officers, 7 officers are command officers, 6 officers are assigned to the third shift, 7 officers are assigned to the day shift, 8 officers are assigned to the second shift, and 5 officers are assigned to the Investigations Section.

## **LETTER FROM THE CHIEF**

It is with great pleasure that I present the 2015 Annual Report, which highlights and summarizes the activities of the South Milwaukee Police Department. I am extremely proud of the Police Department employees who have achieved excellence in the difficult job of law enforcement. These men and women are dedicated to providing the highest level of professional service to our community. They are South Milwaukee's strongest asset.

This report represents only a snapshot of the total data collected over the past year on offenses, arrests and activities as reported to the South Milwaukee Police Department.

The year 2015 offered several personnel changes at the Police Department. Officer Brian Fleming retired from the Department in May of 2015 after serving our community for 25 years. Officers Logan Staeger and Tory Shields began their employment with the City in May, and Officer Michael Luczak began his employment in September. Officer Luczak is a third generation civil servant; his grandfather is Lt. Robert Luczak (retired 1990 – South Milwaukee Police Department) and his father is Fire Fighter Cory Luczak – Oak Creek Fire Department. The Department also experienced the following terminations/resignations: Public Safety Officer Debbie Benkowski, Officer Kathryn Klipfel, and Officer Tarra Bell. Public Safety Officer Jennifer Guzman-Godoy was assigned to full-time status from part-time status, and Public Safety Officer Luke Fenelon began his employment with the Department in November. Officer David Kozlowski began his assignment as the Middle School Police Liaison Officer in January.

In April the Department installed new 911 equipment in the Communications Center. The new equipment enables the Department to continue to provide excellent emergency 911 service to the community.

The Police Department continued our Medicine Collection Program. The goal of the program is to provide a safe, convenient and responsible means of disposal for unwanted/unused/expired medication. The Department collected and safely disposed of 439.1 pounds of medication in 2015.

The Department continues to focus on community policing and are confident that working together with individuals and groups we can reduce the opportunity for crimes to be committed, solve mutually agreed upon problems, and significantly improve the quality of life in South Milwaukee.

The Department continued to be active with our service programs: The South Milwaukee Justice for a Cure Day raised over \$5,800.00 in donations. The Community Night Out Committee sponsored several children for the COPS Camp and continued our scholarship program for graduating South Milwaukee High School seniors. Officer Rohde, Lt. Milow, Captain Jaske and Chief Wellens also participated in Dunkin' Donuts – Cop on a Rooftop Special Olympics fund raiser in August and raised over \$365.00 in donations. Once again through a generous donation from the South Milwaukee Wal-Mart the Department was able to host the 3<sup>rd</sup> Annual South Milwaukee Police Department Shop with a Cop event.

In October the Police Department hosted twelve days of Advanced Law Enforcement Rapid Response Training (ALERRT). 184 officers from 3 counties in southeastern Wisconsin and 14 law enforcement agencies were brought together for this training. ALERRT is a dynamic course designed to prepare first responders to isolate, distract, and neutralize an active shooter as well as to train on effective response tactics for a complex coordinated attack (terrorist type of attack). Through the training officers have the skills and knowledge to respond in a swift and effective manner that will serve to minimize the damage of an attack and save the lives of potential victims. All officers of the Department were trained.

I want to take this opportunity to thank the members of the Department for their continuing dedication and commitment to public service and protection. The City of South Milwaukee is very fortunate in the type of officers, clerks, and PSOs who serve our community. They make sacrifices that are often unnoticed while performing their duties and responsibilities. I would also like to thank Lt. Chad Milow for assembling this report.

On behalf of the men and women of the South Milwaukee Police Department, I extend my personal appreciation for the support and cooperation the citizens and elected officials have provided the Department.

Sincerely,

*Chief Ann M. Wellens*

## **Letter from the Administration and Services Commander**

In 2015 there were some significant changes in the Admin & Services Section. Dispatch received and trained extensively on a new phone system and 911 hardware installation. After the bugs were worked out over a number of weeks, the new system has been well received and helps make the dispatcher's job more efficient and offers quality service to the callers.

The dispatch call center handled nearly 30,000 events for 2015. The dispatchers are responsible for all incoming calls to the SMPD, radio transmissions for the police and fire, and handling 911 emergency calls. A resignation of a full-time dispatcher in July resulted in the promotion of part-time dispatcher Jennifer Guzman-Godoy to full-time status in August which in turn left the department with one part-time dispatcher on staff to fill extra hours. This created the need for the full-time crew to take on many hours of overtime and for the part-time dispatcher to take on nearly a full-time roll for the remainder of 2015. Two former SMPD dispatchers, the IT Specialist/Records Section supervisor and a clerk from city hall helped fill in as needed. Everyone pitched in well and it is greatly appreciated. In November, the department welcomed Luke Fenelon as he was hired to fill the part-time dispatcher vacancy. The dispatchers are the lifeline to the officers on the street and I am very proud of their performance in 2015 with their continued dedication, professionalism, and service to the community.

The SMPD dispatch was also chosen to participate in a Milwaukee County EMS pilot program regarding a CPR assist line. The CPR Assist Line helps callers perform CPR until EMS arrives on scene. Dispatch will transfer 911 callers to a special operator at the Milwaukee County EMS Communications Center for assistance after first dispatching EMS to the call. This program was implemented to increase cardiac arrest survival rates in Milwaukee County.

The Records Department is supervised by IT Specialist Dan Margetta who oversees two records clerks. One is full-time and the other part-time. The records section is open Monday through Friday from 7am-8pm and stays very busy throughout the year by honoring many records requests, triaging walk-in complaints and other counter service, and many other important duties. Their service is not only a valuable one to the community but helps the department run smoothly. IT Specialist Margetta is the trouble shooting guru for the department who maintains the servers, personal computers, video systems, dispatch and phone systems, and squad car components staying very busy taking on a number of roles for the department. His hard work and knowledge is appreciated by many.

The Internal Affairs section investigated very few citizen complaints which demonstrated how well the officers serve the citizens and guests of South Milwaukee. There were a few policy/procedure violations by members of the SMPD which resulted in verbal & written reprimands and in some instances, suspensions.

As Wisconsin Law Enforcement Accreditation Group (WILEAG) assessors, Chief Ann Wellens, Capt. Jill Kallay, and I continue to assist other agencies with helping them achieve their WILEAG status while continuing to work hard on maintaining our own WILEAG status.

Respectfully Submitted,

Captain Peter Jaske  
Administration & Services Section

## **Letter from the Operations Commander**

2015 was a year with many personnel changes within the department. Officer Brian Fleming retired from the Department in May after 25 years of service. The Department also added three new officers. We welcome Officer Logan Staeger, Officer Tory Shields and Officer Michael Luczak. Our Field Training Officers have been working hard to see that these new officers are trained and ready to perform their duties.

The first year in my new assignment as the Operations Commander was filled with new experiences. Planning and scheduling staffing for the numerous special events that occur in the City is a time consuming job. From the July 4<sup>th</sup> events to Heritage Days, as well as the various parades and activities that take place in and through our City, there is always something waiting to be planned or scheduled.

Maintaining the day to day scheduling for patrol for the department has been especially challenging this year. This was due to a number of officer shortages that we experienced and the amount of time involved in hiring and then training our new officers. There are many officers on the department who worked numerous overtime shifts to help cover patrol shortages or to provide coverage for special events and grant programs. I am very thankful for all of the hard work put in by our officers every day.

Training also became one of my responsibilities in 2015. I was very pleased that, through a partnership with Oak Creek PD, and the hard work of SMPD Officer Todd Vinogradsky (one of our Department's training officers) that we were able to coordinate it so that our officers were able to receive a full 2 day ALERRT (Advanced Law Enforcement Rapid Response Training) training class. This very dynamic, scenario based training, is specifically focused on active shooter events and law enforcement responses to these events. We will work to continue to provide quality training and updated equipment for officers to do their job to the best of their abilities. During the calendar year 2015 4,100 hours of training was completed among our officers.

This is also a good time to remind you of ways to protect yourself from scammers and thieves. Please DO NOT leave your vehicle running with the keys in it to warm up the car. There have been a number of car thefts in the Milwaukee area due to these circumstances. There also continue to be fraud attempts via phone or where a caller tries to extort money from the victim by claiming that a relative of has been in an accident and is now being held against their will. The caller threatens bodily harm to the person they claim to be holding if the citizen does not produce money or if they hang up. The scammer tries to keep the citizen on the phone while directing them to obtain cash and bring it to a specific drop off location. This is not a new scam and is one that has been seen in many jurisdictions. If you receive a call of this type, please contact the police. Calls have been reported to have come in to both cell phones as well as land line phones.

Respectfully Submitted,

Captain Jill Kallay

## ***Law Enforcement Code of Ethics***

*As a Law Enforcement Officer*, my fundamental duty is to serve mankind; to safeguard lives and property; to protect the innocent against deception, the weak against oppression or intimidation, and the peaceful against violence or disorder; and to respect the Constitutional rights of all people to liberty, equality and justice.

*I will* keep my private life unsullied as an example to all; maintain courageous calm in the face of danger, scorn or ridicule; develop self-restraint; and be constantly mindful of the welfare of others. Honest in thought and deed in both my personal and official life; I will be exemplary in obeying the laws of the land and the regulations of my department. Whatever I see or hear of a confidential nature or that is confided to me in my official capacity will be kept ever secret unless revelation is necessary in the performance of my duty.

*I will* never act officiously or permit personal feelings, prejudices, animosities or friendships to influence my decision. With no compromise for crime and relentless prosecution of criminals, I will enforce the laws courteously and appropriately without fear or favor, malice or ill will, never employing unnecessary force or violence and never accepting gratuities.

*I recognize* the badge of my office as a symbol of public faith, and accept it as public trust to be held so long as I am true to the ethics of the police service. I will constantly strive to achieve these objectives and ideals, dedicating myself before God to my chosen profession....

## Day (1<sup>st</sup>) Shift

Serving the citizens of South Milwaukee on the day shift, 07:40am to 04:00pm, are:

Lt Chad Milow	Experience – 19 years
Officer Darrell Mussatti	Experience – 29 years
Officer Steve Streicher	Experience – 30 years
Officer Brian Fleming	Experience – 25 years
Investigator Carol Olson	Experience – 24 years
Officer David Stratton	Experience – 20 years
Officer Steven Hesse	Experience – 18 years
Officer James McLean	Experience – 15 years
Officer Kathryn Klipfel	Experience – 8 years

Enforcement goals include traffic enforcement, park patrols, school safety with our juvenile officers in schools and our patrol officers monitoring the school mornings and afternoon dismissals, open business checks, attempts to pick up wanted subjects, and citizen calls for service. Many of these goals are based on calls to the police department, by citizens, reporting what type of police enforcement activity is needed in their particular area, and based on particular circumstances. South Milwaukee's greatest enforcement tool will continue to be citizens, caring for their community, who are watchful and able to provide the police with information that otherwise may not have been obtained.

Officer Brian Fleming retired in 2015 after 25 years of service. Congratulations, Brian!!! We welcome new shift member Officer James McLean!

I continue to encourage the citizens of South Milwaukee to stay vigilant within their community so that we can keep our city as safe as possible. It is citizens calling in suspicious behavior that often leads to the clearance of criminal activity. Just a reminder – lock your residence, garage and vehicle doors for safety, as our community has followed national trends in the increase in petty theft where easy targets present themselves.

As Police Officers, working for you, we will do our best to also stay observant and proactive in our efforts to keep our city safe. Thank you.

Respectfully Submitted,  
Lieutenant Chad Milow

## Early (2<sup>nd</sup>) Shift

Serving the citizens of South Milwaukee on the early shift, 03:40pm to 12:00am, are:

Investigator Michael Hill  
Officer Todd Vinogradsky  
Officer Rob Wentz  
Officer Nate Siefert  
Officer Kyle Stormoen  
Officer Dan Doering  
Officer Chris Rohde  
Officer Tarra Ball  
Officer Jordan Schwehr

We deal mostly with disorderly persons, domestic violence, suspicious activities, traffic issues and other miscellaneous services. We have a good mix of veteran and new officers on our shift, bringing experience and new ways of addressing problems within the community.

We had a few personnel changes throughout the year. Officer Ball resigned. PO Schwehr moved to Late Shift. We look forward to receiving a new officer or two upon completion of field training in early 2016.

As always.....See something? Say something! We appreciate calls from concerned citizens who may see something that may not look quite right to them. Letting us investigate a call that turns out to be nothing is better than wishing you had called when you later find out there was a problem.

Thank you for your support in 2015.

Respectfully Submitted,  
Lieutenant Jason Walker

## Late (3rd) Shift

The late shift patrol has historically been a shift with a lot of experience. This is the first time in 20 years that there has been an officer assigned to the shift with only one year of experience. P.O. Jon Rivamonte moved to late shift to replace P.O. Edward Hallett, who was promoted to shift Supervisor. P.O. Jordan Schwehr moved to late shift to replace P.O. James McLean, who moved to day shift patrol. The shift is going to continue to get younger as P.O. William Dews will retire in January of 2016.

Members of the late shift patrol for the majority of 2015 included:

Lt. Hallett – Patrol Supervisor – 20 years  
P.O. William Dews – Patrol Officer – 30 years  
P.O. Francis Rotter – Patrol Officer – 23 years  
P.O. David Hoepfner – Patrol Officer – 16 years  
P.O. Jon Rivamonte – Patrol Officer – 9 years  
P.O. Daniel Fournier – Patrol Officer – 8 years  
P.O. Jordan Schwehr – Patrol Officer – 1 year

Another important aspect of late shift are the Public Safety Officers. Public Safety Officers answer incoming calls and dispatch for both the police department and the fire department. Public Safety Officers also do a majority of the documentation while calls are occurring.

Members of the late shift dispatch for 2015 include:

PSO Candy Maxim – Full time – 10 years  
PSO Roberta Plachinski – Part time – 21 years  
PSO Jennifer Guzman-Godoy – Part time – 8 years

Respectfully Submitted,

Lt. Edward Hallett

## **Investigations Section**

Dear Citizens,

It is the policy of the South Milwaukee Police Department to ensure that criminal offenses are thoroughly investigated and that the offender is properly processed through the criminal justice system. Responsibility for the completion of criminal investigations is shared by all sworn members of the Department. All officers are expected to complete thorough investigations on all assigned cases. However, it is recognized that certain investigations either require a degree of specialization not possessed by some officers, or are more appropriately managed in a centralized fashion. To that end, the Investigations Section has been established to initiate and coordinate investigations that require resources beyond those which could be reasonably expected of an officer. The Investigation Section is supervised under the leadership of Lt. Cary Fischer who oversees two general Investigators and one Investigator assigned to the Milwaukee Metropolitan Drug Enforcement Group. There are also two School Liaison Officers assigned the South Milwaukee high school and middle school. This highly skilled group of veterans takes on many complex cases. One of the significant cases of 2015 was the homicide of a 69yr old South Milwaukee resident in which the bureau continues to work tirelessly on to resolve which remains unsolved at time of this submission. The overall clearance rate for cases in the bureau climbed in 2015 to 40.8% which is up from 38.9% in 2014.

Members of the 2015 investigations section include:

Lt. Cary Fischer – 25 years  
Inv. Carol Olson - 24 years  
Inv. Mike Hill – 17 years  
Inv. Craig Perkowski – 7 years  
JO/PSL – Dave Kozlowski - 18 years  
JO/PSL – Tim Lewison – 11 years

Capt. Peter Jaske

### **Five Year Trends**

In 2015, South Milwaukee experienced a decrease in property crimes. Violent crime reports also decreased. Property crime increases are due to the decrease in petty theft. Violent crimes decreases are due, primarily, to decreases in aggravated battery.

## 2015 Traffic Enforcement

Included in the duties of law enforcement officers is traffic law enforcement. During 2015, the Department continued the directed traffic enforcement program. Each week, locations within the city were highlighted for directed enforcement. The areas are selected based on accident statistics, citizen complaints, requests of the Traffic Commission, or high traffic areas. Using grant money from the Bureau of Transportation Safety, the Department, once again, participated as a member of the OWI Task Force and in conducting specialized, limited speed enforcement activities. The Department utilizes several radar and laser speed measuring devices in the enforcement efforts. An increase in traffic grant monies resulted in an increase in the ability for officers to spend time solely on traffic enforcement.

Traffic Citations/Warnings Issued in:	2015
Operating While Intoxicated	247
Vehicle Registration Violations	102
Speeding	340
License Violations (OAR, OAS, OWL)	359
Seatbelt Violations	137

\* OWIs often result in two traffic citations issued, one for Driving Under the Influence and one for a Prohibited Alcohol Concentration. The court system has the authority to dismiss one of the two citations issued during an OWI incident.

2015 statistics include **182** written warnings issued for various traffic violations.

There were **3,259** parking citations issued during 2015.

## **Accidents**

Type of Accident	2015	2014	2013	2012
Property Damage	294	273	298	283

\* Accident statistics were taken from SMPD's Record Management System. These statistics include ALL calls to SMPD where a vehicle accident was reported.

\* Accidents occurring at an intersection for both streets named above will result in a statistic for each named street.

## **Patrol Services 2015**

### **Calls for Service**

The goal of the South Milwaukee Police Department is to provide a high standard of professional services. Patrol Officers handle calls that range from domestic problems, neighbor problems, noise violations, park violations, to suicidal persons and robberies. Patrol Officers are responsible for the initial investigation of all calls. Patrol Officers are also responsible for traffic enforcement, accident investigations, business checks, and many other duties.

### **Calls for Service by Month and Shift**

	January	February	March	April	May	June
1st Shift	757	629	770	697	848	781
2nd Shift	846	798	885	843	693	919

**1st Shift 0740-1600hrs    2nd Shift 1540-0000hrs    3rd Shift 2340-0800hrs**

- Total calls for service for 2015 was 26,144.
- Calls for service decreased when compared to 2014 (28,809)
- Calls for service include EMS and Fire services, but do not include non-service type calls such as court trials, DARE duties, report writing, and crime prevention duties.

## **Department Grants / Citizen Complaints**

### **2015 Grant Awards**

The South Milwaukee Police Department received several grant awards in 2015:

Through the Federal Bureau of Justice Assistance the Department was awarded \$1,866.82 for the purchase of bulletproof vests. This grant funds 50% of the cost for bulletproof vests.

The Wisconsin Department of Transportation awarded the Department with two traffic enforcement grants totaling \$25,000.00. The grants were for alcohol and speed enforcement. The grants provided 198 hours of overtime patrols for traffic enforcement. The overtime patrols resulted in **394** traffic citations, **440** traffic warnings and numerous other arrests for traffic violations, outstanding warrants and **58** drunk driving arrests.

The Department also received partial funding for one officer assigned to the Milwaukee Metropolitan Drug Enforcement Group. The grant award was for \$62,328.00 through the Wisconsin Byrne Memorial Justice Assistance Program.

### **2015 Citizen Complaints**

It is the policy of The South Milwaukee Police Department that all incidents of alleged or suspected violations of the law, ordinances or Department rules and regulations be investigated. The department encourages citizens to bring forward any legitimate grievance regarding misconduct by employees.

In 2015 the Department investigated 4 citizen complaints. Three were investigated and determined to be unfounded while one complaint was substantiated, and the officer was placed on suspension.

The definitions of the complaints dispositions are as follows:

- **Unfounded:** Investigation indicates that the allegations are false.
- **Not Sustained:** Insufficient evidence to either prove or disprove the allegation.
- **Sustained:** The allegations are supported by sufficient evidence to conclude they are true.
- **Exonerated:** Investigation indicates that the incident occurred, but was justified, lawful and proper under the circumstances.
- **Policy Failure:** the investigation reveals that the allegations are true; however, the employee was acting in accordance with established department policy.

## 2015 South Shore Joint Tactical Unit

The South Shore Joint Tactical Unit is comprised of approximately 25 officers from South Milwaukee, St. Francis and Cudahy PD's as well as personnel from the Cudahy Fire Department. Our departments have a memorandum of understanding that allows us to operate as a joint team. This allows for training in advanced tactical techniques, sharing the costs of training or incident management, having a larger pool of personnel to draw from in the event of an incident, and increasing our knowledge base with the varied experiences of our members. In addition, we are able to draw upon other resources throughout the area to help incidents come to a peaceful resolution while ensuring the safety of our officers and citizens.

During 2015 the SSJTU responded to two barricaded suicidal subjects, one in Cudahy and one in South Milwaukee. While individual departments are still able to execute search warrants independently, the SSJTU conducted seven joint narcotics search warrants in 2015.

Throughout the year members of the SSJTU train on a bi-monthly basis in a variety of conditions to better prepare themselves for the various situations that can arise. Training such as Room Entry, Hostage Rescue, Breaching, Barricaded Subject, Vehicle Assaults, Search Warrant Execution, Firearms, IEDs, Active Countermeasures, Ground Fighting and culminating in a large scale Operational Readiness exercise involving role players and a Bearcat Armored Personnel carrier were conducted throughout the year.

During the 2015 calendar year the SSJTU implemented the addition of "TEMS" personnel, who were drawn from the Cudahy Fire Department. The Tactical-Emergency-Medical-Service personnel are certified EMTs/Firefighters and also receive additional tactical emergency medical training. TEMS Medics carry an array of first aid equipment used to provide emergency medical care to injured SSJTU members, citizens and to the victims of crimes. TEMS personnel are not armed but are trained to use firearms and other tactical equipment should the need arise in an emergency. The SSJTU has also integrated the use of K-9's and a host of other non-lethal technology in an attempt to further its capabilities and better provide other options to bring tactical situations to a peaceful end.

Respectfully submitted,  
Officer Todd Vinohradsky

## Community Policing

Citizens of South Milwaukee,

I would like to take this opportunity to thank all of the people that have called in suspicious activity, provided tips that have helped solve crimes, or have made themselves available as witnesses. Many of the crimes that occur in any city, including South Milwaukee, could not be solved or prevented without the involvement of the citizens.

I will also take this opportunity to ask the citizens of South Milwaukee to be more involved in their own safety, and the safety of their community. Take the time to learn about the Block Watch program, form or join a Block Watch program, or learn about home and personal security. Personal and home security starts with you, and it is an everyday pursuit, not a one-time event. The South Milwaukee Police Department is a great resource for information and assistance.

At the end of 2015 there is only one active Block Watch in South Milwaukee, and the Grant Park park watch. I have spoken with many people in South Milwaukee who have expressed an interest in forming Block Watches or being part of a Block Watch program. It's time to do more than just talk about it, it's time to become active! The time to become involved is before a problem starts, not after! If you would like more information about forming a Block Watch, please contact me at [mhill@smwi.org](mailto:mhill@smwi.org) or Officer Daniel Fournier, [dfour@smwi.org](mailto:dfour@smwi.org).

The South Milwaukee Police Department is a community policing agency. One of the core values of community policing is the development of community partnerships, with both individuals and organizations. The South Milwaukee Police Departments hopes to see these partnerships expand and develop in 2016.

Respectfully submitted,  
Officer Michael Hill

## **2015 Community Events**

### **COMMUNITY NIGHT OUT**

August 12, 2015, the South Milwaukee Police Department hosted the 14<sup>th</sup> Annual Community Night Out. The weather was beautiful and many citizens attended the festivities, played games, learned about safety, watched demonstrations, enjoyed a good meal, and were treated to an awesome fireworks show. The Community Night Out is a great opportunity for citizens of all ages to meet the various public safety workers in our community.

In May of 2015 the Community Night Out Committee awarded two graduating Seniors from the South Milwaukee High School with \$1000.00 scholarship. This was a competitive process which required the applicants to submit an essay answering: "What I have done to give back to our community and how I intend to continue to contribute to our community". The Committee selected Ms. Heather Westerfield and Ms. Victoria Fischer as the 2015 recipients of this scholarship.

In July of 2015 the Community Night Out Committee provided ten children (ages 6-8 years old) who attended the Concerns of Police Survivors (COPS) kids camp in East Troy, Wisconsin with South Milwaukee Police Department Junior Police sweatshirts and "smiley" pens. COPS kids camp is for children who have lost a parent to a line of duty death. The camp provides the children with recreation activities and counseling services. For many of the children this is the first time they have left home and these items help to make their camp experience special. The Community Night Out Committee was honored to be part of the COPS kids' camp and to present the children with these items.

**2015 SOUTH MILWAUKEE POLICE**  
**SHOP WITH A COP**

Through the generous support of the South Milwaukee Wal-Mart the police department hosted the 3<sup>rd</sup> annual Shop with a Cop event on December 5, 2015. Eight South Milwaukee children were paired with officers to enjoy some shopping, fun activities, and lunch.

The Department would like to recognize and thank our “Major Sponsors”: South Milwaukee Wal-Mart, Financial Fortress Builders, Tony G’s Grant Park Garage and Paisano’s Italian Restaurant. The Department would also like to recognize additional supporters: South Milwaukee McDonalds, Pastor Robert Kieck, and South Milwaukee Cousins Subs.

## **JUSTICE FOR A CURE**

### **STATEWIDE KICK OFF**

On October 2, 2015 the South Milwaukee Police Department hosted the statewide kick-off event for Justice for a Cure. Justice for a Cure was founded in 2008 by retired Dane County Deputy Joan Kamholz. Joan was diagnosed in 2007 with breast cancer, just months before her retirement from 30 years in law enforcement. The mission of Justice for a Cure is “working together to bring awareness to breast cancer, to educate, to support survivors, to support those going through their cancer journey, to support cancer programs in our own community to help our own, and to raise funds for research to find a cure for cancer”.

Wisconsin Chiefs of Police Association President, Chief Dave Funkhouser – Kiel Police Department, was the keynote speaker. Chief Funkhouser spoke about his battle with cancer, the support he received during his treatment, and about being a survivor. Law enforcement and fire services from across the state attended the kick-off event: Dane County Sheriff’s Department, Muskego Police Department, Franklin Police Department, Sturtevant Police Department, St. Francis Police Department, West Allis Police Department, Milwaukee Police Department, Kiel Police Department, Milwaukee County Sheriff’s Office, Cudahy Fire Department, Milwaukee County Fire Services, and South Milwaukee Police & Fire Departments.

The South Milwaukee Police Department has partnered with the South Milwaukee High School Advance Marketing Class since 2010 to celebrate “Pink Day” during the month of October. Over the past 5 years \$30,000.00 has been raised for this cause. The City of South Milwaukee celebrated the 2015 “Pink Day” on October 20<sup>th</sup>. The theme of the city celebration was “Celebrating Survivorship”.

## **Police Awards Night 2015**

The week of May 10 – 16, 2015 was designated as National Peace Officers Week. In conjunction with National Peace Officers Week the Police Department held our annual Department Awards to recognize selected staff and citizens from the community.

On Tuesday, May 5, 2015 six Officers, one Public Safety Officer, and two Auxiliary Officers from the Department, three citizens and one business were presented Police Department Awards at the Common Council meeting. Mayor Brooks kindly allowed time at the beginning of the meeting for the Department presentation. The following Department members, citizens and business received the following awards:

**LIFE SAVING COMMENDATION:** awarded to any officer whose action directly contributed to the saving or significant prolonging of human life.

### **Investigator Hill – nominated by Officer Rivamonte**

On December 20, 2014 at approximately 9:44pm the South Milwaukee Police Department took a report of a suicidal subject who had slashed his wrists and left his mother's residence on bicycle. Officers were given the general area of Grant Park to search for the subject who was in a mental health crisis. After searching for a significant amount of time Investigator Hill located the subject's bicycle hidden in some bushes; after searching the area he located the subject. The subject was unconscious and bleeding from cuts to both wrists. Investigator Hill provided immediate medical assistance to the subject. Officers carried the subject to Lake Drive so the South Milwaukee Fire Department could treat his injuries. If Investigator Hill had not continued to search for the subject he would have died in Grant Park that evening (it was cold 15 degrees and the subject was not properly clothed).

### **Officer Dews, Officer Fournier, PSO Maxim and Auxiliary Officer Ceparski – nominated by Officer McLean**

On February 16, 2015 at approximately 3:27am the South Milwaukee Police Department received a 911 transfer call from the Milwaukee County Sheriff's Office. PSO Maxim was unable to speak with the 911 caller as the phone call ended prior to transferring. PSO Maxim was unable to make contact with the 911 caller as calls went to voicemail. PSO Maxim advised officers the 911 caller had reported he had fallen in the woods in Grant Park near the lagoon. PSO Maxim looked up the 911 coordinates to assist in locating the caller. Officers searched the area described by the 911 caller and found him lying on the snow covered ground. The subject was unable to stand and officers carried him to the roadway where the South Milwaukee Fire Department took over and transported the man to St. Luke's South Shore for medical treatment. Had the officers not located the man he possibly would have died due to the cold weather conditions.

**MERIT AWARD:** awarded for excellent arrest by any officer directly involved in the capture and arrest of a felon who was endangering the lives and/or property of the community.

**Lt. Hallett – nominated by Captain Jaske**

On September 11, 2014 at approximately 1:57am Lt. Hallett had cleared from a call involving a subject who was stealing from vehicles in the northwest area of town. It had been reported that two subjects were involved in the thefts, one subject was in custody and one subject remained at large. Lt. Hallett observed a vehicle stopped in traffic, as he approached the vehicle it began traveling away from him. Lt. Hallett stopped the vehicle. Subsequent investigation revealed the driver was intoxicated and had just stolen the vehicle from a residence in town. Lt. Hallett's commitment to his duties and to the citizens of South Milwaukee should be commended. The subject was charged by the Milwaukee County District Attorney's Office with OWI -2<sup>nd</sup> Offense, and Operating Owners Vehicle Without Consent.

**Officer Rivamonte – nominated by Officer Dews**

On November 30, 2014 at approximately 4:06am the South Milwaukee Police Department received a report of an armed robbery at Griddler's Café. The suspect fled on foot from the restaurant. A description of the suspect was provided to all officers. Officer Rivamonte responded to the area. Officer Rivamonte observed a vehicle leaving the area with a subject matching the description of the suspect. Officer Rivamonte stopped the vehicle and after contact with the driver took her into custody for the armed robbery. Upon interviewing the suspect Officer Rivamonte obtained a confession. The Milwaukee County District Attorney's Office charged the suspect with robbery. PO Rivamonte's actions reflect favorably for the South Milwaukee Police Department and the safety of the citizens of South Milwaukee.

**SUPERVISOR'S RECOGNITION AWARD:** a supervisor may give this award, without Awards Committee approval, for outstanding work.

**Officer Fleming – Lt. Milow presenting the award**

Lt. Milow recommended Officer Fleming for a Supervisor's Recognition Award for his investigation of a serial retail theft suspect.

**CITIZEN'S RECOGNITION AWARD:**

**Mr. Dominick Wendorf**

Officer Rohde nominated Mr. Wendorf for a Citizen's Recognition Award for his actions on May 18, 2014.

On May 18, 2014 Mr. Wendorf witnesses four older teenagers beating a baby deer with sticks and "teasing" the deer. Mr. Wendorf was able to get the teenagers away from the deer and then noticed the deer was in distress. He carried the deer to a neighbor's house in an effort to get help for the deer. The deer appeared to be lethargic and was taken to the Wisconsin Humane Society – Wildlife Rehabilitation Center. Mr. Wendorf's compassion and concern for the welfare of the baby deer is commendable.

### **Ms. Constance Anderson**

Officer Fleming nominated Ms. Anderson for a Citizen's Recognition Award for her actions on June 27, 2014.

On June 27, 2014 while Mr. Anderson was working at Walgreens an elderly woman came into the store requesting to purchase 4 - \$500.00 Green Dot cards. Ms. Anderson was aware of the Green Dot scam and immediately notified the Police Department because she felt the elderly woman could be a victim of fraud. The Police Department did determine the elderly woman would have been a victim of fraud had Ms. Anderson not intervened and prevented her from purchasing the Green Dot cards. Ms. Anderson's compassion and concern for this woman is commendable. The Police Department is proud to have businesses that care about their customers and will go the extra effort for their protection.

### **Mrs. Phylis Stoesser**

Lt. Milow nominated Mrs. Stoesser for a Citizen's Recognition Award for her actions on July 2, 2014.

On July 2, 2014 the South Milwaukee Police Department took a report of a missing elderly woman with early stage dementia/Alzheimer's from the 1500 block of Manitowoc Avenue. Mrs. Stoesser observed an elderly woman near her residence (1000 Block of N. Chicago) who appear confused and lost. Mrs. Stoesser engaged the woman in conversation and then began to follow her as she continued to walk on N. Chicago. Mrs. Stoesser notified the police department who upon arriving at the scene determine the elderly woman to be the one missing from the 1500 block of Manitowoc Avenue. Mrs. Stoesser's compassion and concern for the woman is commendable.

### **Mr. Mike Wolf – Manager South Milwaukee Wal-Mart**

The South Milwaukee Wal-Mart is receiving a Citizen's Recognition Award for their continued support of our community. Wal-Mart is a true community partner. Wal-Mart, under the management of Mr. Wolf, and the Police Department have a great relationship. Wal-Mart has provided the Police Department with support for Community Night Out and Shop with a Cop program.

## **VOLUNTEER SERVICE RECOGNITION:**

Mr. Kurt Olson became a South Milwaukee Police Department Auxiliary Officer in February 1984. Throughout the years Mr. Olson has been involved in many of the police department programs and civic events in the community. He is considered a family member of the South Milwaukee Police Department. We recognize him tonight for his 30 years of dedicated voluntary service to the South Milwaukee Police Department and the citizens of South Milwaukee.

## ACCREDITATION

The South Milwaukee Police Department continues its membership in the Wisconsin Law Enforcement Accreditation Group (WILEAG). This program is a continuous process enabling law enforcement agencies to evaluate, strengthen, improve and maintain their effectiveness. It works on a process of self-evaluation, keeps in check law enforcement activities, procedures and goals. It also ensures the condition of law enforcement agencies remain in compliance with established standards. The SMPD has been accredited through WILEAG since May 1998 and was one of the first agencies in Wisconsin to become accredited.

The accreditation process requires the Department to have numerous policies in place and several standards met. When changes in the standards are made by the WILEAG the existing policies need to be reviewed and revised to reflect any necessary changes. This requires a continuous review of all department functions and operations. In 2015, the reigns of the Accreditation Manager was transferred from Captain Jill Kallay to Captain Peter Jaske.

Accreditation offers the South Milwaukee Police Department several benefits: providing “norms” against which agency performance can be monitored and measured over time; increased cooperation and coordination with other law enforcement agencies; increased effectiveness and efficiency in the delivery of law enforcement services; and demonstrating to the community that the SMPD is committed to continuing these standards through accreditation. With the police department due for re-accreditation in 2017, preparation is already underway as this is an ongoing process year round which cannot be accomplished without the assistance of many personnel at the SMPD.
