

***South Milwaukee  
Police Department  
2022 Annual Report  
Chief William Jessup***

From the 1920's to the mid 1990's South Milwaukee Police Officers wore the shield and eagle badge. The department has returned to that badge and looks to honor our past.

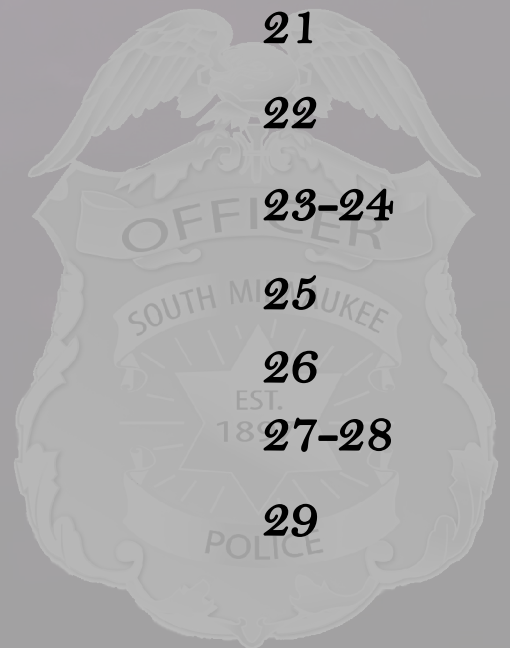

The department has also updated the shoulder patch to provide a more modern look, replacing the shoulder patch used since the early 2000's.

# *A Letter from Chief Jessup*

To the citizens of South Milwaukee, Mayor James Shelenske, City Administrator Tami Mayzik, the South Milwaukee Common Council, the South Milwaukee Police & Fire Commission, and members of the South Milwaukee Police Department:

In 2022 I completed my fifth year as Chief of Police for the South Milwaukee Police Department. Each and every day I am proud to serve this City and this Department, and I am grateful for your support, confidence and enthusiasm as our officers diligently work to keep our community safe. I am pleased to present to you the 2022 South Milwaukee Police Department Annual Report and I believe you will find that it provides an accurate overview of the challenges and accomplishments, as well as the activities undertaken by our staff to enhance public safety in our community.

The past year brought some notable changes to our staff, with the hiring of three new police officers, Jakob Horsley, Matthew Klecha and Blake Reynolds. They are great additions to our force and are looking forward to serving this community for many years. We were also joined by a new police clerk, Kyra Van Scyoc and she is proving to be an excellent addition to our staff.

The police profession comes with many challenges, and crime prevention is always near the top of the list. In addition, quick response times are equally important as we continue to advance the department's mission and vision. We strive to make our city safer through a community-based policing strategy that is responsive to the needs of individuals and businesses while following a set of principles that fosters mutual respect. Our members are committed to their profession and they work tirelessly on behalf of our citizens to provide prompt service that keeps our community safe.

There is one truism in public safety; our work is never done. As we move forward, we will surely encounter new challenges but I am confident in our members and grateful for the support of our community. In partnership, we will overcome those difficulties and will make South Milwaukee healthier and stronger.

Sincerely,

Chief William Jessup

# *A Letter from the Operations Commander*

I must be getting old! Each year seems to be one week shorter than the last! I give my heartfelt appreciation to the citizens of South Milwaukee for the continued outpouring of support that has been shown during these adverse times. I know I mentioned this last year, but I can't begin to emphasize, enough, the importance of community support for our staff. And... the citizens of South Milwaukee continue to step up and show this support, week after week. I thank you. The positive social media post, a kind word or note, or the drop off of a snack.... I can't begin to thank you all enough. It is this support that keeps our staff motivated to continue to work hard to keep our community safe, healthy, happy and strong!

A number of staffing changes took place this year. Officers Josh Wheeler, Kevin Scheidt, Stephen Goratowski and Joe Benson left the department to seek other career paths. We wish them all the best of luck with their future endeavors. We did add a number of Officers and one clerk to fill existing openings in 2022. Welcome to the family – Officers Jakob Horsley, Matthew Klecha and Blake Reynolds and part-time clerk Kyra Van Scyoc!

2022 brought some new challenges and some continued crime trends which have occurred throughout Milwaukee County. We did see more vehicle thefts and theft from vehicles being committed by mobile groups who are non-residents of our city. Fortunately, however, we are seeing a continued decrease in overall crime trends, which are a tribute to the citizens of South Milwaukee. We were also happy that we continue to see very little violent crime and no patterns of lasting criminal activity in South Milwaukee.

The South Milwaukee Police Department continues to put a high emphasis on its Community Policing Efforts. We conduct routine criminal deterrence checks – both vehicle checks through businesses and neighborhoods, as well as foot patrols inside our businesses. Highlights again included Community Night Out, Shop with a Cop and Safety Days. We also provided Girl and Boy Scout tours of the police department and it was great to interact with the children as they grow and learn. I'd also like to announce the 2023 Dare Golf Outing will be back at Grant Park followed by a lunch and raffle at the Bucyrus Club!

And now, my 'broken record' plea (this doesn't go away until I do)! I encourage you to become involved in South Milwaukee's policing efforts. If you see something that just doesn't seem right, call the police department. Get us your videos. Get us social media information that may be valuable. Start a block watch program. Lock your house and car doors. Be vigilant in your neighborhood.

We can do this, together! Go Rockets!

Sincerely,

Captain Chad Milow

**Communications Center**

**Investigations Section (Investigators and School Liaison Officers)**

**Records Department**

**Internal Affairs**

**The Communications Center handled over 28,000 events in 2022. Four full-time, two part-time, and several substitute dispatchers are responsible for all incoming calls to the police department, all radio transmissions for police and fire, and all 911 emergency calls. In 2021, our dispatchers adapted well to the changes in COVID procedures, which were put in place to ensure the safety and well-being of our citizens and first responders.**

**The Investigations Section is comprised of a lieutenant, two school liaison officers and three investigators, including one member who is assigned to the Milwaukee Metropolitan Drug Enforcement Group. The liaison officers are assigned to the South Milwaukee High School and the South Milwaukee Middle School but they also spend time in the elementary schools, teaching the DARE program.**

**The Records Department is comprised of two full-time clerks and one part-time clerk. The records section is open Monday through Friday 7am-6pm and is closed on the weekends and holidays. The records section handles hundreds of records requests, as well as winter parking permits and the collection of fines and payments.**

**The Internal Affairs section investigates citizen complaints. There were four incidents in 2022, all of which were unfounded and the officer(s) cleared of any wrong doing.**

**As members of the Wisconsin Law Enforcement Accreditation Group (WILEAG), we go through a full accreditation process every three years. The South Milwaukee Police Department was accredited for the eighth time in 2020. In 2022, the South Milwaukee PD accreditation team continued its work towards our 9th accreditation in May of 2023.**

**The hard work and dedication of the sworn and non-sworn members of the Administration and Services Division is admired and appreciated.**
